

HOSPITALITY - COMMERCIAL - RESIDENTIAL

PPE ESSENTIALS KIT

What better way to keep your guests and visitors safe than offering custom branded PPE essential kits?

These kits can be customized to your needs, but typically include: 1 x disposable face mask, 1 x pair of gloves (S/M/L/XL), 2 x individual 2ml hand sanitizer sachets and 2 x individual alcohol sanitizing wipes.

With regards to packaging customization, we can update the verbiage to your requirements, print your logo directly onto the bag, utilize your fonts and colours and even add a barcode for resale. Each bag is heat sealed, packed in a sanitary environment and hole punched at the top so they can be hung on wire racks in kiosks. Contact us for custom label pricing and fulfillment times.

This is also a great opportunity to generate additional revenue by offering these for sale at your front entrances for art exhibits, museums, sports & entertainment venues and recreation and convention centers.

PPE ESSENTIAL KITS

	1 unit	6 units	12 units	24 units	1 case (100 units)
Price	\$4.99	\$29.94	\$59.88	\$119.76	\$450.00
